Working houses: 4 (home, land, vehicle and early schooling), 11 (gain, fulfilment of desire and friends), 12 (expense, separation and foreign matters). Straining houses: 3 (effort, short travel and courage), 5 (children, romance and speculation), 6 (service, competition, debt and illness), 8 (obstruction, loss of the matter and hidden strain). Decisive layer: Jupiter sub lord Venus and Rahu sub lord Mercury. For property & vehicle, Rahu brings property via loan or unconventional deals. The success house 11 is present, so results do come - but the script also carries 5-8-12 and 6-8-12, so they are earned through hard work, delay and obstacles. Persistence is well rewarded here. The 1-6-8-12 / 1-4-10 pattern also flags health strain - prioritise rest, routine and check-ups. Rahu is a separative lord, so changes of place, people or arrangement usually accompany the period. Advice: push steadily; follow-up and paperwork carry the matter through.

HOUSES 1·5·9·11 (care 6·8·12)

Constitution from 1·5·9·11; the 6·8·12 are the care houses. Transit is not used to time health.

OVERVIEW - THE CHART'S PROMISE

Constitution is read from 1·5·9·11; the 6·8·12 are the care houses. Venus, Jupiter, Mercury, Ketu support vitality here, with the care houses lightly tenanted. The promise is strong, so the timed periods below mostly decide when, not whether.

PREDICTIVE ANALYSIS - LIFETIME MAHADASHA PERIODS

Moon Mahadasha

Average

1985 - 1995

For health, Moon brings mood, fluids and digestion. This area is not strongly activated now - general conditions are workable, but expect little specific movement here; other areas carry the period.

Moon sits in houses 10, 11; star lord Moon (10, 11); sub lord Saturn (3, 4). Supporting houses touched: 11. Cuspal sub-lord of house 1 signifies 3 (effort, short travel and courage), 4 (home, land, vehicle and early schooling) - the gate is closed, so even a strong period gives limited or denied results.

Guidance: Advice: expect repeats, expense or delay - consolidate, keep alternatives open and avoid large commitments.

Mars Mahadasha

Excellent

1995 - 2002

For health, Mars brings care against accidents, inflammation and surgery. Its script holds the success houses 10 & 11 with none of the difficult 5-8-12 or 6-8-12 combinations, so results arrive with ease - more than the effort put in. This is a period to act decisively, launch and expand.

Mars sits in houses 2, 7; star lord Sun (2); sub lord Ketu (3, 5, 6, 9, 10, 11). Supporting houses touched: 5, 9, 11. Negating houses active: 6.
