Traditional remedies and practical care

Overview

The heaviest pressure comes from Saturn, Mars, Ketu. Treat traditional remedies as optional practices alongside ordinary prudence.

Saturn

Keep commitments realistic, finish pending work and support elders or labourers.

Mars

Avoid haste, arguments and risky physical activity during stronger Mars windows.

Ketu

Check facts carefully, simplify plans and avoid impulsive decisions during nodal pressure.

Astrology is interpretive guidance, not medical, legal, financial or psychological advice. Transit windows show symbolic pressure or support, not guaranteed events.
