

Ashtakavarga Analysis

Ashtakavarga shows benefic points (bindus) contributed by planets in each house. Higher bindus indicate favourable results during transits and dasha periods. Sarvashtakavarga combines all planetary contributions.

● Strong (4-8 bindus / >30 SAV)

Favourable results. Good for transits and dasha periods.

● Moderate (3 bindus / 25-30 SAV)

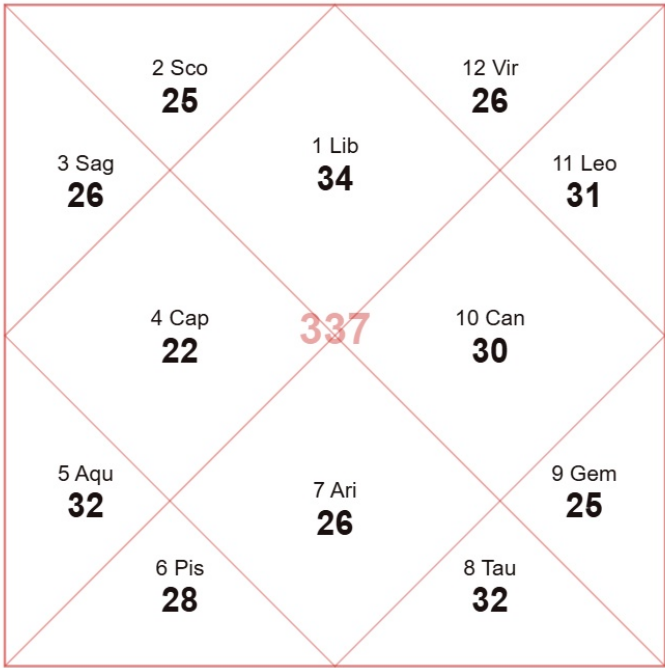

Mixed results. Effects depend on other combinations.

● Weak (0-2 bindus / <25 SAV)

Challenging position. May bring obstacles during transits.

Next shift for Saturn, Jupiter, Rahu and Ketu

The slow movers set the tone of a whole period. Rahu and Ketu hold no bindu chart of their own, so their reading uses the total bindus of the sign they enter.

Jupiter

Sep 15, 2026, 10:47 PM

Now: Cancer (H10), Mercury K6 - bindu 0
Next: Cancer (H10), Moon K7 - bindu 1

Jupiter moves into the Moon kakshya of Cancer (your house 10) in about 1 day from now. The new kakshya carries a bindu, so support is present. Use this window for growth, guidance, money, learning, children and lawful matters. Sign papers, start work and ask for what you want.

Rahu (R)

Oct 14, 2026, 05:53 AM

Now: Aquarius (H5), Jupiter K2
Next: Aquarius (H5), Saturn K1 - SAV 32

Rahu moves into the Saturn kakshya of Aquarius (your house 5) in about 30 days from now. The sign holds 32 total bindus, so support is strong. Use this window for ambition, new ventures, foreign links and sudden pushes forward. Sign papers, start work and ask for what you want.

Ketu (R)

Oct 14, 2026, 05:53 AM

Now: Leo (H11), Jupiter K2
Next: Leo (H11), Saturn K1 - SAV 31

Ketu moves into the Saturn kakshya of Leo (your house 11) in about 30 days from now. The sign holds 31 total bindus, so support is strong. Use this window for letting go, review, spiritual work and cutting what no longer fits. Sign papers, start work and ask for what you want.

Saturn (R)

Nov 06, 2026, 09:10 AM

Now: Pisces (H6), Venus K5 - bindu 0
Next: Pisces (H6), Sun K4 - bindu 0

Saturn moves into the Sun kakshya of Pisces (your house 6) in about 53 days from now. The new kakshya carries no bindu, so support is missing. Keep duty, career structure, property, health routines and long commitments steady rather than new. Delay big steps and finish pending work instead.

4. Bhinnashtakavarga predictions

Classical Bhinnashtakavarga rules for each planet, read against this chart. Rules that do not apply stay silent. Live transit notes appear once transits are loaded.

How to read the bindu totals

- Each planet gets 0 to 8 bindus in every sign. A bindu means that sign receives supportive energy from that planet.

- The own-sign bindu count shows how strong the planet feels in its home territory. More bindus there bring steadier expression of its natural qualities.

- The total row adds the bindus across all twelve signs. A higher total shows the planet can deliver stronger results overall.

- Green numbers (5-8) are strong. Amber numbers (3-4) are moderate. Red numbers (0-2) ask for care, remedies or timing around that planet.

Sun

48 BINDUS - 6 IN ITS OWN SIGN

- Strongest in Scorpio (2nd) and weakest in Aries; in the sign it occupies (Scorpio, 2nd) it holds 6 bindus - wealth and vehicles.

- Rewarding transit months run through Taurus, Gemini, Leo, Scorpio and Sagittarius; ease off when the Sun crosses Aries, Libra and Capricorn - avoid launching anything then.

- The father-house (Cancer, only 4 bindus) is lightly supported - the father's path is the softer area.

> Transiting now through Leo (your 11th, Ascendant kakshya, bindu present) - Sun matters run smoothly; a good window to push planned work.

Moon

49 BINDUS - 5 IN ITS OWN SIGN

- Peak in Gemini and Aquarius (9th and 5th), weakest in Scorpio (2nd); 5 bindus in its own 12th - good company and gains. A resilient, composed mind, unsettled when the Moon transits Scorpio.

- Helpful people, ceremony timing and the ideal partner all align with Gemini - a strong match point.

- The mother has about 1 sibling(s), leaning to sisters.

> Transiting now through Libra (your 1st, Jupiter kakshya, bindu present) - Moon matters run smoothly; a good window to push planned work.

Mars

39 BINDUS - 4 IN ITS OWN SIGN

- Carries 4 bindus in the sign it occupies (Taurus, 8th) - mixed, status-quo results. Strongest in Taurus, Cancer, Leo, Libra, Sagittarius and Pisces (8th, 10th, 11th, 1st, 3rd and 6th).

- Mars works best in Taurus, Cancer, Leo, Libra, Sagittarius and Pisces (8th, 10th, 11th, 1st, 3rd and 6th) - the window for property and for transacting in land and gold. About 4

Page 9 of 10

siblings are indicated.

- Caution: the classical loss-of-a-sibling combination (a low-bindu Mars/Saturn in the 3rd from Lagna) is present.
- > **Transiting now through Gemini (your 9th, Ascendant kakshya, no bindu) - Mars matters are slow; wait for the next kakshya before big steps.**

Mercury

54 BINDUS - 6 IN ITS OWN SIGN

- Peak in Libra and Sagittarius (1st and 3rd), softest in Virgo and Scorpio; 6 bindus in its own 3rd - wealth and vehicles.
- Speech is good, mostly when prompted - charming, forceful and blunt, occasionally ill-timed in tone.
- Family and maternal ties are warm and supportive.
- > **Transiting now through Virgo (your 12th, Sun kakshya, bindu present) - Mercury matters run smoothly; a good window to push planned work.**

Jupiter

56 BINDUS - 4 IN ITS OWN SIGN

- 4 bindus in Cancer (10th) - mixed, status-quo results. Peak in Taurus.
- Children: a small family, two or so (from the 5th from Jupiter, after setting aside the bindus of Jupiter's enemies). Auspicious ceremonies favour the Sun's transit of Taurus.
- > **Transiting now through Cancer (your 10th, Mercury kakshya, no bindu) - Jupiter matters are slow; wait for the next kakshya before big steps.**

Venus

52 BINDUS - 3 IN ITS OWN SIGN

- Peak across Libra, softest in Gemini; 3 bindus in its own 3rd - friction and fatigue.
- The partnership carries a deep soul-bond and a steady partnership.
- High Lagna bindus in Venus's varga give an attractive, magnetic presence.
- > **Transiting now through Libra (your 1st, Mars kakshya, bindu present) - Venus matters run smoothly; a good window to push planned work.**

Saturn

39 BINDUS - 3 IN ITS OWN SIGN

- Strongest in Taurus, Libra and Scorpio (8th, 1st and 2nd), weak across Capricorn; 3 bindus in its own 3rd - friction and fatigue. Disciplined and it rewards work, service and outlasting rivals.
- Saturn's transit of its peak sign Taurus, Libra and Scorpio is the window for legacy, land, charities and dealings with influential people.
- > **Transiting now through Pisces (your 6th, Venus kakshya, no bindu) - Saturn matters are slow; wait for the next kakshya before big steps.**
