Marriage reading

Promise of marriage and of divorce: judged by Parashari first, then BNN, then Nadi/KP. When all three agree the result is highly strong. Behaviour and temperament of the spouse: sign (rashi) in the 7th house of the Lagna chart. Nature of the spouse: rashi of Venus in a male chart, rashi of Mars in a female chart (BNN).

Promise of marriage

Strong prospect

Vedic (Parashari & Jaimini) – Promised

- 1st and 7th are connected only indirectly (through dispositor/nakshatra) – marriage comes with delay.
- 7th lord well placed in the 10 house.
- Marriage houses 5, 11 join the 1–7 axis (1+2+5+7+11 combination).
- Jupiter protects the 7th house or its lord.
- Moon is not connected to the marriage houses – the mind may resist marriage for long periods (deck rule).

Bhrigu Nandi Nadi – Promised

- Saturn is 1 from Venus – delayed marriage.
- Jupiter and Venus in 6th relation – early/timely marriage combination.
- The BNN denial combination (malefic-only 2nd and 4th from Jupiter) is absent.

KP / Nadi – Promised with delay

- Signifies 7 of the marriage group 2–7–11.
- Signifies 10 of the denial/separation group 1–6–10.
- 7th cusp sub-lord Saturn; its star-lord Sun signifies houses 7, 10.

Love marriage or arranged marriage

Love-cum-arranged – personal choice accepted by family (systems are split).

Parashari – Mixed

- No decisive Parashari combination for love or arranged.

Bhrigu Nandi Nadi – Mixed

- Venus and Mars in 6/8 – attraction alone does not lead to marriage; family/practical route more likely.

KP / Nadi – Love

- 5th sub-lord connects to 7 / 2–11 – love culminates in marriage.
